You no longer have to see the hassles and inconveniences of your old car to get the savings of a new car. Date your old car, trade it in, and see the difference. The Datsun 510 has so many features that it's hard to list them all. But here are some of the highlights. The 510 is a car where you won't find a compromise. It's a car that's as powerful as a power window, as smart as a parking aid, and as tough as a truck. It's a car that's as easy to drive as a car, but as smart as a car. See us to try and see drive the 510. The best way to see the difference is to drive it.

"FRIENDSHIP"

What is friendship?
I asked a man one day
Hoping he could clear it up for me
And this is what he had to say:

Friendship is many things
I'm sure you will agree,
But one characteristic of it is
Friendship is always free
Friendship is a feeling
So then it is caring
But then you care for someone who
cares for you,
Then friendship is sharing.

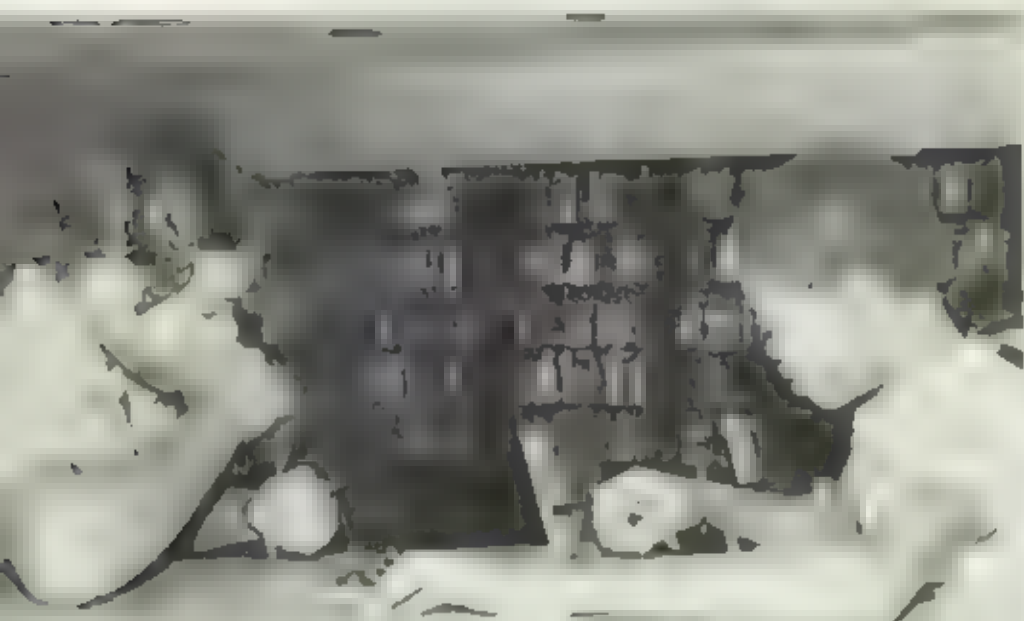

So then what is sharing,
It is revealing of a secret, not to be told,
It is between only two friends
and cannot be sold.

Friendship is fun for everyone,
When sharing valuable collections.
Two friends together,
Showing their affections

They show their affections,
Much like a child pets a dove,
Then looking back,

Friendship must be LOVE.
:BY Terry L. Darley

FRIENDSHIP IS
CARING

FRIENDSHIP IS
SHARING

FRIENDSHIP IS
LOVE
